This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

MCF-7 cells were subjected to SDS PAGE followed by western blot with 27176-1-AP (ST14 antibody) at dilution of 1:1000 incubated at room temperature for 1.5 hours. Immunohistochemical analysis of paraffinembedded human colon tissue slide using 27176-1-AP (ST14 antibody) at dilution of 1:200 (under 10x lens).

Immunohistochemical analysis of paraffinembedded human colon tissue slide using 27176-1-AP (ST14 antibody) at dilution of 1:200 (under 40x lens).
